RE: Quarterly Reports for Legal Surcharge Account, PSC Case No. 2001-00423

Dear Mr. Wright

Fourth Avenue Corporation/Long Corporation Joint Venture DBA Shadow Wood Subdivision Sewer Service ("Shadow Wood") requests that the Commission accept the submission of the last quarterly report for the Legal Surcharge Account ordered in PSC Case No. 2001-00423. A copy of that report is attached and shows that the collected surcharge to 12/31/05 amounts to **\$10,144.95**. This schedule will be filed with the 2004 Annual Report, which I anticipate filing this week.

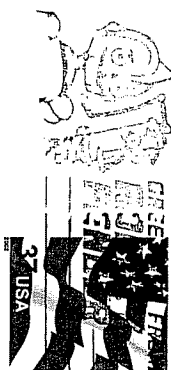

I would also like to extend my thanks for you and your team's diligent work in approving the transfer of the utility in PSC Case No. 2004-00364. The parties involved are working towards a date of February 1, 2005 for the closing, if the necessary documentation can be accomplished. We will announce a formal date when it is known. Additionally, we will file all necessary documents and comply with all mandates ordered by the Commission in its January 11, 2005 order.

Sincerely,

Clay W. Long, President
